

Shooting Range **LAW ENFORCEMENT DONATIONS**

INSTITUTE

Due to some of our surrounding cities tightening budgets for 2009 some officers are not properly equipped with the firearms that they need. Here at Caswells we are taking donations (any amount) in order to purchase three (3) AR-15 rifles for the 3 surrounding cities of our location; Mesa P.D., Chandler P.D., and Gilbert P.D. The first \$1000 will be donated by Caswells. All contributions will go directly to the distributor of our choice in exchange for 3 total rifles. We have set up an “in house” account to receive the funds and you may speak with any one of our sales representatives to make a donation. When enough money has been collected we will post flyers on our website and in our store listing our date of presentations to each individual department. We will also be compiling a list of “Donors” to present with each rifle. Those who wish to remain anonymous will be kept off the list. Thank you all for your support of our local heroes!
